### We, Immortal

The words that we've spoken  
The stories that we've written  
The inventions that we've made  
The pictures that we've taken  
The songs that we've sung  
Forever, they'll be here  
Making us immortal  
Like the gods that they revere.

## **Paul's Prayer III**

**Hashem, I pray to You**

**Let those who have ill-wishes against  
me**

**Be confused and confounded**

**Make them realize their wrongdoings**

**Make them repent for their trespasses**

**For You are my protector  
my Savior**

**Deliver me from the harm of my  
enemies**

**Nurture me in your arms**

**Envelop me with your grace of  
protection**

**I humbly ask this and I hope  
You hear and grant my supplication.  
Amen.**

## **Paul's Prayer IV**

**For all the blessings that You gave me**

**I thank You, O Hashem**

**For all the trials that You made me go through**

**I thank You, O Hashem**

**For my parents who guide me through life**

**I thank You, O Hashem**

**For my sibling whose love to my parents I share**

**I thank You, O Hashem**

**For my relatives who inspired me to be closer to You**

**I thank You, O Hashem**

**For the people who inspire me to be closer to You**

**I thank You, O Hashem**

**For all your wonderful creations**

**I thank You, O Hashem**

**For your perpetual guidance**

**I thank You, O Hashem**

**For your love and compassion**

**I thank You, O Hashem**

**For your protection**

**I thank You, O Hashem**

**For my life that you gave which I offer back to you**

**I thank You, O Hashem**

**Praise the Lord, forever and ever.**

**Amen.**

**Paul's Prayer V**

**All I ask is for divine justice  
Punish those who did me wrong, O  
Hashem  
Teach them that it is only You who can  
make me suffer  
Bring to hell those who lied to me  
Break the hearts of those who took  
advantage of my goodness  
Humble those who are proud  
All the belligerents, only you can tame  
All the workers of iniquity, only you can  
reform  
Because against You, nothing can stand  
Through Your name  
I implore You  
Do justice for me, O Lord.**

## **Paul's Prayer VI**

**In suffering, I saw You  
In the presence of evil, I saw You  
In the middle of the storm, I saw You  
In the face of my foes, I saw You  
You never left me  
You were always there  
I thank you, O Lord**

**Your presence  
Which gave me strength  
Which shielded me from the fire  
Which protected me from harm  
I will always cherish, O Lord  
And I will always pray for Your presence  
Not only in times of trouble  
But also in times of peace  
Amen.**

## **Paul's Prayer VII**

**O Hashem, You are my Lord  
You guide me in crooked paths  
You help me reach Your sanctuary  
In there, You nourish me with your graces  
You put peace and love in my heart  
You fill my cup with water  
You put a banquet on my table  
You let your angels accompany me  
The moon and stars  
You command them to sing to me  
The songs that You taught David.  
I gladly listen to them  
Until I fall asleep  
And when I wake up  
I see You by my side  
I feel so blessed my Lord  
And I offer You my gratitude**

**Let but goodness and kindness  
Pursue me  
For You are my Lord  
My shepherd  
My guide  
Forever I shall dwell in Your house  
And forever I shall sing Your praises.  
Amen.**

## **Para Kay Miss Ox**

**Ika'y aking natapagpuan  
Noong ako'y naghahanap  
Ng babaeng mapagtutuunan  
Ng atensyon at oras**

**Nais kong maging bahagi  
Ng iyong buhay  
Ikaw ay akin nang napanaginipan  
Ikaw ay akin nang naisip  
Alam kong  
Ikaw ay para sa akin**

**Ikaw ang tangi kong nais**

**Sana papasukin mo ako  
Sa iyong puso  
Bigyan ng pag-asang mapatunayan  
Ang sarili ko sa iyo**

**Pagkat minamahal kita  
Bago pa tayo magkatagpo.**

## **YOU TALKED TO ME IN MY DREAMS**

**You told me that Your angels will sing to me  
Praise Lord-God because Your words are true  
Now, I listen to their hymns and psalms  
Praise Lord-God, indeed Your words are true**

**We crossed our paths, Oh Lord-God  
While I was racing against my thoughts  
You said that I must slow down and compose myself  
I wrestled with myself at first until I found my pace  
Now, revelations from You are being whispered in my  
ears  
Praise Lord-God, indeed Thy will is pure**

**The wind always blows in Your direction  
You reward those who are loyal and reverent  
to be not lost in the forest  
You always give strength to your weakening servants  
Praise Lord-God for You are with us.**

**October 26, 2011**

**Lord-God is Love**

**And Love is Lord-God**

**He guides me on murky waters**

**He fills my plate and my cup**

**He nourishes my hungry soul**

**He gives me wisdom**

**To answer all my questions**

**My heart beats because of Him**

**Loving Lord-God**

**No one even compares**

**Praise Him in all his glory**

**For all eternity.**

**Let me be with you again  
Coz I want all to begin  
For you are so dear to me  
I miss you so tenderly  
You are with me while I'm asleep  
I can't wait to see your face  
When I open up my eyes  
I will see you finally.**

### **An Act of Contrition**

**O Lord-God,  
I am heartily sorry for  
having offended Thee,  
and I detest all my sins,  
because I dread the loss of heaven,  
and the pains of hell;  
but most of all because  
they offend Thee, my Lord-God,  
Who are all good and  
deserving of all my love.  
I firmly resolve,  
with the help of Thy grace,  
to confess my sins,  
to do penance,  
and to amend my life.  
Amen.**

### **Celibacy**

**Lord-God, to You I give my life  
All my remaining days  
I shall offer to You.**

### **Chastity**

**Lord-God, my eyes will still remain open  
To see the beauty in Your works.  
However I will not be overly and sinfully lustful towards them  
and won't be using them solely to satisfy  
My bodily urges.**

## **Piety**

**Lord-God, I will be always at your side  
You're my shepherd  
I will obey your commands,  
Purify my soul, spirit and body through the prayers  
That you taught me,  
Do good works towards our neighbors,  
Love Anhar and Shadiya Maryam,  
And be watchful and give tough love towards our enemies.**

## **Poverty**

**Lord-God, the riches of heaven are in the heart  
And purity of the heart is the key  
To seeing You  
That's the only wealth  
And your eternal love and kindness  
That I wish to have  
Please guide me everyday  
Anything else other than those  
Are just chaff in the wind.**
